

Finish What You Started!

SWG10S1245

Whether you're grinding or sanding Sioux has the tool for you. Sioux has a great selection of **SWG Series** right angle type 27 wheel grinders with wheel capacities ranging from 3" (75mm) to 4-1/2" (115 mm) for a variety of applications. If your job calls for a construction, manufacturing or general industrial application, a speed range up to 18,000 rpm will help you get the job done quickly and efficiently.

SAS10S125

And for those of you who always finish what you start...Sioux **SAS Series** sanders are engineered to cover the full range of applications in metal, composite and wood finishing. Our innovative, lightweight designs ensure they perform to highest standards while still being comfortable to operate. Each delivers unsurpassed power and performance, resulting in the perfect finish every time.

Heavy Duty Gearing

For rugged performance

Contoured Lever Throttle With Lock

Side Handle

For left or right hand operation

Lightweight Aluminum Reinforced Nylon Housing

Ergonomic Composite Handle With Textured Grip
