

THINK **SMALL BUT**

POWERFUL!

Our new line of 0.5 hp Heavy Duty Angle Abrasives are incredibly **COMPACT, LIGHT WEIGHT** and **POWER PACKED**. Designed with low profile right angle heads operators can easily squeeze into tight spaces and have all the

necessary power and leverage to get the job done. They feature a **STEEL HEAD** for tough working environments, **SPIRAL BEVEL GEARS** for long life and a **REAR EXHAUST**. Plus, you can just drop them in a tool box and go!
