

GRIND BIG TIME

With Our **EXTENSIVE** Line

Sioux has a complete line of grinders designed for power, working speed, and performance. Every grinder is tested for the many demanding applications workers face daily.

CHOOSE FROM/GOOD FOR:

Straight Die Grinders

small touch up work & inside corners

Angle Die Grinders

same as straight but allows more access to tough angles

Wheel Grinders

removes material quickly

Extended Wheel Grinders

same as wheel but reaches into tight access areas

Vertical Grinders

for high horsepower tools

Horizontal Grinders

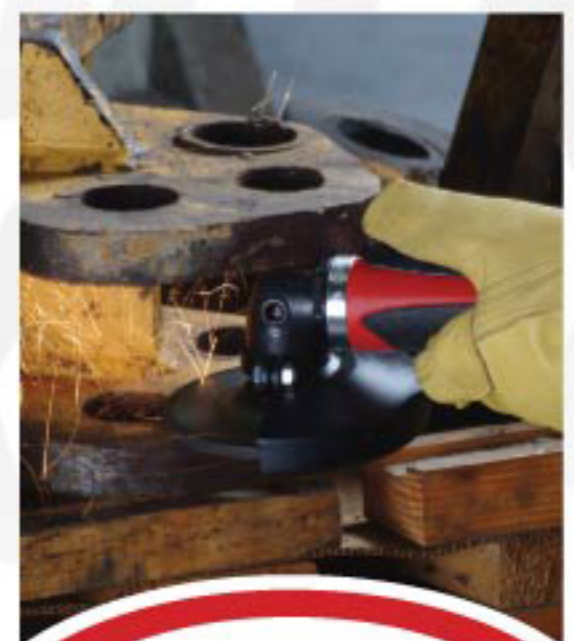

for blending surfaces

Cut Off Tools

cuts metal much faster than a saw blade

Right Angle Sanders

for fast sanding operations
